

UNIVERSITY OF  
PORTSMOUTH

# How has Brexit affected YOU? Volunteers Needed!

I am a PhD researcher from the University of Portsmouth investigating how people feel since the UK left the EU. I want to know how Brexit may have affected you, whether positively or negatively, and how you imagine life in the future.

To do this, I am seeking to conduct interviews and focus groups with people (18 years and over) living in Portsmouth, from all walks of life.

**Have your  
thoughts heard!**

If you are interested in taking part, or would like to learn more, please contact:
